#### **Canada Post Rotating Strikes Begin**

*June 3, 2011*

The Canadian Union of Postal Workers (CUPW) has taken rotating strike action against Canada Post starting with a 24-hour walkout in Winnipeg which began last night. The union announced this morning that CUPW employees in Hamilton will be next to join the strike, walking off at 11:45pm ET Friday. Hamilton workers will be off the job for 48 hours. Yesterday Canada Post offered further compromises and improvements to the CUPW in an effort to halt the strike. Canada Post and CUPW officials are scheduled to meet today.

Brokers Worldwide continues to work closely with the US Postal Service to monitor this situation, and will provide our customers with updates as they become available.
