Brokers Worldwide Announces Its Acquisition of The Mailing House

Philadelphia, PA - August 28, 2007 - Brokers Worldwide LLC, a leading provider of International and Domestic Mail Preparation and Distribution services, today announced its acquisition of The Mailing House, Inc., a Lettershop, Printing and Fulfillment company, located in Southern California.

“The Mailing House is a great company with a long standing reputation for delivering exceptional service,” said Michael Hastings, Chief Executive Officer of Brokers Worldwide. Brokers Worldwide currently has processing facilities in Philadelphia, Chicago and San Francisco. “The addition of The Mailing House will uniquely position us to provide a single-source mail preparation and distribution solution to our customers in California and throughout the US.”

The companies did not disclose financial terms of the acquisition. The Mailing House operations and staff will remain in Bell, California. The current General Manager, Karl Nickenig, will continue to manage The Mailing House operations.

About Brokers Worldwide

Brokers Worldwide is a leading provider of international and domestic mail services, specializing in the preparation and distribution of direct mail, catalogs, invoices, magazines, journals and parcels worldwide. We are one of the largest international mail consolidators in the United States, offering fast, reliable mail services at competitive prices, and serving a diverse customer base nationwide. Our experienced team has successfully offered solutions in the international and domestic mail industries for over twenty-one years. We combine our expertise, extensive postal network, and customer service focus to provide our clients with the best international and domestic mail services on the market. Our three mail facilities in Philadelphia, Chicago, and San Francisco make access to international and domestic mail savings and services simple and convenient for any business. About The Mailing House

The Mailing House was established in 1946 and has been located in Bell, California since 1992. The Mailing House is a leading provider of lettershop, fulfillment and data processing services to a national direct marketing community. Since its inception, the Company’s philosophy has been to work together with our clients to create the most efficient and, therefore, most cost effective way of distributing their materials – be it through the mail or bulk distribution.
