Brokers Worldwide Now Offers *Domestic Flat Mail Service*

Philadelphia, PA - March 18, 2004 - Brokers Worldwide is pleased to introduce its new Domestic Flat Mail service, which is designed to provide postage discounts to companies that process flats, mail that is larger than a letter but smaller than a one-pound package. Brokers Worldwide will pick up flat mail on a flexible, as-needed basis from a location designated by our customers, and then transport the mail to one of our sorting facilities. Once our customers' flat mail has been processed, we will transport the flats deep within the postal system's delivery network. The mail will then be deposited very close to the destination address, allowing the USPS to quickly make the final delivery.

Brokers Worldwide is pleased to offer this new service, and we are looking forward to the opportunities that this service will allow us to provide to our customers! Please contact us at 1-800-624-MAIL for additional information on how Brokers Worldwide can help your organization save time and money on the processing of your Domestic Flat Mail.
